COMMUNITY LEARNING

Recycle Guys and Feed the Soil: City of Raleigh environmentalists will lead recycling games and teach visitors how to turn trash into treasure, compost kitchen scraps, and create compost bins.

East Coast Greenway representatives will discuss the East Coast Greenway Trail, a developing trail system spanning nearly 3,000 miles from Canada to Key West, of which the Museum Park will be a part.

Watch Us Grow: The Museum's Director of Planning and Design will give updates on the new gallery building and its green elements.

Freecycle of Wake County will teach us how to "Keep it out of the landfill!"

Learn from the **Environmental Educators of NC** about how to become a Certified Environmental Educator.
