Let’s enter West Building. A guard will open the door for us.

We can pick up a map from the table. Then we’ll follow the arrows to the Information Desk and ask questions.

Next, we will follow the arrows to walk through the galleries. We will learn about different kinds of art.

We will take a break if we need one.

Then we will leave West Building and walk across the Plaza to East Building.

Then we will walk through the African Gallery. We will learn about African art.

If we want to, we can wait in line for a ticket to the special exhibitions. The special exhibitions are downstairs.

Then it will be time to leave. We had a great day at the NCMA!
