

Traveling Trunks For Senior Communities

Three different Traveling Trunk art experiences, available on loan, engage individuals with Alzheimer's disease or dementia. Each trunk includes reproductions of a work of art from the Museum's collection accompanied by replicas of items that can be seen in the painting. Suggestions for conversation starters and activities are designed to help organization staff or volunteers to stimulate interaction, the senses, and memory. To reserve a kit for your organization's use, please contact Melissa Roth at (919) 664-6890.
